

Epson OmniLink™ TM-L90-i Intelligent Printer

- Printer with retail-hardened PC
- Ethernet, optional Wireless-N connectivity
- Supports web-based printing from any mobile device
- Add cloud services without need for legacy POS integration
- 4 USB ports for peripherals and video output
- Print speeds up to 150mm/sec
- Two-color receipt and label printing

The OmniLink™ TM-L90-i intelligent printer is ideal for retailers looking for a flexible, mobile POS system. It supports web-based printing from any mobile device, cloud-based services, interactive kiosk displays and more.

Integrated intelligence and performance

Epson's OmniLink TM-L90-i combines our cost-effective TM-L90 receipt and label printer with a retail-hardened PC and built-in web server to enable mobile POS deployments, cloud-based services and the power to drive web-based POS and information display applications. It provides the application power and flexibility to run a broad range of POS configurations.

Flexible, web-based mobile printing

The OmniLink TM-L90-i features Epson's unique ePOS-Print technology that enables browser-based printing from any mobile device, with no drivers to install. The ePOS-Print API provides seamless communication between the printer and iOS and Android devices, anywhere in the store.

Add value with cloud services

Retailers are looking at new ways to deliver value-added services to improve customer loyalty and drive sales. Epson's OmniLink TM-L90-i helps deliver personalized customer experiences by enabling cloud-based services such as data analytics, loyalty, coupons, rewards and digital

receipts, with no changes required to POS applications.

Powers kiosks and KDS

The OmniLink TM-L90-i includes a powerful, retail-hardened PC with VGA video output to drive kiosk displays and kitchen display systems. With Ethernet and optional Wireless-N cards for internet connectivity and ports to connect up to 4 USB peripherals, OmniLink offers a reliable, solid-state PC-less kiosk solution with no fans, hard drives or moving parts. It can also drive multiple slave printers for kitchen order processing and more.

Reliable receipt and label printing

Epson's TM-L90 receipt and label printer offers one- and two-color printing, high reliability, automatic label peeler option, and software for rapid label design.

Backed by the leader

Epson's OmniLink TM-L90-i is backed by our industry-leading service and support programs and includes a one-year limited warranty on the printer and two-year limited warranty on the PC.
