

CL-S400DT Bar Code/Label Printer

CITIZEN
Micro HumanTech

The compact yet powerful CL-S400DT delivers a combination of reliability and high performance in the desktop thermal printer class. Featuring a small footprint and self-contained metal mechanism for durable operation, this versatile printer can handle a variety of applications including tickets, passes, tags and labels. Citizen's unique metal Hi-Lift™ mechanism allows easy access for loading of media and the adjustable media sensor can handle tags with unusual cut-outs or black marks. The CL-S400DT can handle fanfold tickets as well as standard roll media for labels or receipts.

The easy-to-read LCD panel, on top of the printer, allows for quick and simple configuration.

CL-S400DT Bar Code/Label Printer

Features/Advantages:

- Hi-Lift™ mechanism for easy media loading
- Energy Star compliant
- Self-contained metal mechanism for durable operation
- Internal power supply for reliability, 220v and 110v switchable
